Dear Parent,

Please read the information below regarding Remote Learning carefully.

- The first week back after the Christmas holidays is normally a revision/consolidation week in school so activities for this week will be planned accordingly.
- **Year 1/2:** Remote Learning will be delivered by Mrs. Dobbs in Mrs. Taggart's absence. We welcome Mrs. Dobb's to our team and wish her every success and happiness. Mrs. Dobbs has organised a pack of work to get the pupils in Year 1/2 started. If the current closure is to continue, she hopes to deliver some of her remote learning through SeeSaw.
- **Year 3/4:** Children will be completing their Home Learning remotely this week through SeeSaw. Please ensure that your child logs into SeeSaw each day as new work will be posted up daily. An overview for the week and some additional information can be found on SeeSaw also. If you have any queries, please do not hesitate to contact Mrs. Barrett via SeeSaw between the hours of 9am and 3.30pm. The work set is mainly revision, however any new topics will be explained further through use of links, video and messaging. Work will be marked and feedback provided on a daily basis also. Reading books will not be given home this week, however, Mrs. Barrett would encourage each child to continue to read daily. Please have a look at some of the additional links added on SeeSaw and continue to use Mathletics.
- **Year 5/6:** A pack has been sent home containing materials and books. Please return all books and completed work to school on **Thursday, 7th January** between **3pm and 6pm** for marking.
- **Year 7:** A combination of books and on-line learning will be used. All information and activities are available through Microsoft Teams and on the Home Learning section of our school website. Please return all books and completed work to school by **Thursday, 7th January** no later than **6pm** for marking/feedback purposes.
- Pupils are expected to complete work regularly throughout the week.
- Pupils participating in on-line learning are expected to communicate appropriately

‘We learn to love and love to learn.’

as instructed in school. Activity will be monitored closely.

Staff have been working very hard to prepare resources for remote learning and each class teacher will communicate directly to you with specific information.

Please remember that we are here to help and support you and the children, so please contact us if you require any further information.

Teachers can be contacted between the hours of **9am and 3.30pm** by e-mail **or** SeeSaw (Mrs. Barrett).

Please use the following e-mail addresses rather than the school e-mail address if you want to communicate directly with your child's teacher regarding remote learning.

Mrs. Dobbs: sdobbs423@c2ken.net

Mrs. Mulligan: jmulligan860@c2kni.net

Mrs. McCallan: kmccallan752@c2kni.net

For all other queries, please use the school e-mail address.

Class Teachers will communicate with you during the week, as outlined in the information they sent out to you today.

Happy home schooling!

Take care and stay safe.

Yours sincerely,

Keira McCallan
