

# Safer Internet Day

Tuesday, 9<sup>th</sup> February, 2021.

## FOLLOW THESE SMART TIPS

**S**

**Secret** - Always keep your name, address, mobile phone number and password private – it's like giving out the keys to your home!

**M**

**Meeting** someone you have contacted in cyberspace can be dangerous. Only do so with your parent's/carer's permission, and then when they can be present.

**A**

**Accepting** e-mails or opening files from people you don't really know or trust can get you into trouble – they may contain viruses or nasty messages.

**R**

**Remember** someone on-line may be lying and not be who they say they are. Stick to the public areas in chat rooms and if you feel uncomfortable simply get out of there!

**T**

**Tell** your parent or carer if someone or something makes you feel uncomfortable or worried.
