Supporting Your Child's Learning

May 2022 – Year 4- Miss. Devine

Your child is learning:

- About the importance of **Worship**- our monthly value for May.
- The importance of **Working With Others**.
- To know when a sum requires you to use mental adding/ subtracting / multiplication as well as division.
- To revise fractions through folding 2D shape activities.
- $\frac{1}{2}$ is the same as dividing between 2, $\frac{1}{4}$ is the same as dividing between 4, $\frac{1}{10}$ is the same as dividing by 10.
- To recognise whole, quarter and half turns and know that a line of symmetry divides a shape in half.
- To plot and give the position of a coordinate either on the line or square in a grid.
- Follow, give and test their directions using NE, NW, SE, SW using practical methods.
- To problem solve.
- To participate in Mathletics activities in order to further their mathematical understanding and skills.
- Write poems using both known grammar and language knowledge including similes (as cold as ice) and metaphors (warm like a hot cup of tea).
- Present their shared writing typed / handwriting.
- Revise the correct way to form letters when handwriting to improve neat presentation.
- To use a variety of segmenting and blending skills to read, write and spell words, including their spelling words each week.
- Complete standardised tests for language (reading and spelling), maths (mental and written) and intelligence.
- Prepare for and receive the sacrament of First Holy Communion.
- Identify and show the catholic value of 'worship' for this month knowing how we show worship to God. Know that we pray the rosary daily in May as a way of worshipping Mary focusing on our class May altar.
- To participate in outdoor learning activities where possible- Forest School activities.

- 
- To discuss 'The Great Outdoors' as their new topic- including links to Art, P.E, Forest School, Wellbeing activities, as well as Gardening.
 - To develop their 'Attention and Listening' through the RISE NI programme.
 - To participate in daily exercises and fun activities in order to sustain healthy bodies and minds- Daily Mile.

To support your child:

- Always check, sign and date homework.
- Reinforce **Mental Maths** Learning each week.
- Reinforce writing weekly spellings each day as well as completing one activity in their **Spelling Workbook**.
- Listen to your child's reading each day. Encourage them to sound out unfamiliar words and question your child on their reading every night.
- Practise prayers and songs to prepare for First Holy Communion.
- Encourage and identify times when your child shows **Worship** at home- Morning and Night-time prayers.
- Encourage and identify times when your child **Works With Others** at home.
