

# St. Patrick's P.S., Eskra

Supporting your child's learning – Year 5

May 2022 – Mrs Mulligan

Your child is learning:

- About the importance of **Worship**- our monthly value for **May**. Talking about ways we can Worship Mary during the month of May.
- The importance of **Working with Others** in relation to class, group and teamwork.
- To develop lively, active minds by partaking in **Year 5** mental maths and Literacy morning challenges.
- Problem Solving on a Monday (incorporating Shape and Space and Angles/Directions).
- To complete End of Year tests in Literacy, Numeracy, Reading and Spelling.
- To consolidate the mathematical language associated with addition, subtraction, multiplication and division and negative numbers.
- How to recognize 2D and 3D shapes and their properties including symmetry and angles.
- To recognize acute, right, obtuse and reflex angles in 2D shapes.
- To understand and complete Function Machines.
- Mental Maths Techniques- morning challenges and learning of Tables 7x, 8x 9x
- To participate in Mathletics activities to further their mathematical understanding and skills in Number and Measure (Shape and Space and Angles)
- To present their work neatly giving appropriate attention to dates, titles, underlining and punctuation and to use neat handwriting.
- Comprehension, Reading, Writing & grammar skills through various texts and group novel activities. Class novel- 'Fields of Home'.
- Grammar work on prefixes, proverbs, future tense. Revision of grammar/spelling rules.
- To develop their spelling skills by continuing to complete daily spelling activities using Prim-Ed or Sounds Write Spelling programmes.
- To participate in Accelerated Reader activities and further develop their skills in Reading and to broaden their reading experiences to include non-fiction texts.
- To complete Art and Craft activities across the curriculum and in relation to Summer.
- World Around Us. Outdoor Activities, Extreme Climates Topic.
- Irish – Parts of the Body, Weather (carried forward from April).

- 
- Further skills and techniques through physical education activities. Preparation for Sports Day.
  - To participate in daily exercises and fun activities in order to sustain healthy bodies and minds.

You can help by:

- Helping your child with Home Learning and research work.
- Signing homework completed and Reading Record books.
- Keeping in regular communication with the class teacher and seeking help and advice from her if you have any worries or concerns.
- Encouraging him/her to self-correct and proof-read homework and to seek help where needed.
- Checking your child's work for accuracy and consolidating any areas they are unsure of.
- Revising Tables & spellings with your child daily.
- Reading with your child regularly & discussing content & themes. Encourage use of non-fiction texts also.
- Encouraging your child to participate in Accelerated Reader Quizzes/Mathletics activities at home.
- Encouraging your child to present their work in a neat, well presented manner with attention given to date, title, underlining, punctuation, grammar and spelling.
- Helping with themed work in Maths on Shape and Space, Angles and Directions.
- Discussing the importance of **Worship** in our school and home lives.
- Reinforcing the importance of good behaviour and personal hygiene at home and in school.
- Encouraging your child to develop his/her **'Working with Others' skills** effectively.
- Praising your child and acknowledging achievements made.
- Taking time for quality indoor and outdoor activities with your child outside of academics.
