Supporting Your Child's Learning

June 2020 – Year 3

Your child will be revising:-

- Mental maths: adding/subtracting/multiplication and now also start to include division.
- Fractions through folding 2D shape activities.
- That finding $\frac{1}{2}$ is the same as dividing between and finding $\frac{1}{4}$ is the same as dividing between
- Sound out, write and read words where one sound is represented with 2 letters e.g. sh, ch, ck, wh, ng and qu sounds.
- Handwriting skills.
- Identify and show the Catholic values of 'Friendship' for June, knowing the importance of friendship to others.
- Develop the Personal Capability of Being Creative; (June) as part Thinking Skill and Personal Capability (TSPC) targets.
- Facts about our topic, The Seasons and activities related to summer alongside looking after and releasing our Butterflies into their natural habitat.

To support your child:

☆ LOTS OF REINFORCEMENT NEEDED FOR YOUR CHILD TO RETAIN LAST ☆
MONTHS MATHS:

- Counting **money**
- **Time** telling and working out durations of time 1/2/3 hours earlier/later
- Chat about **fractions** as 'same size/ equal parts. Discuss $\frac{1}{2}$ and $\frac{1}{4}$ labels
- Keep practising **add** (count on/carry over) **subtract** (count on/back/exchange) and multiplication sums.
- **Discuss how you as a family you encourage worship of Jesus and show friendship.**

These are guidelines and were drafted just for assisting you and your child. All these targets and more will be revised on return to school. Do not worry.
